

## Educational Excellence

At St. Luke's we take pride in the excellence of our education.

- Educational excellence is rooted in a classical education that begins in Kindergarten.
- Small class sizes
- Our students academically surpass their public school peers.
- A family atmosphere is fostered in which teachers and parents work together to a degree that cannot be replicated in a larger setting.

When considering all these factors St. Luke's is clearly a school which prepares its students for success in life.

Jesus said, "Let the little children come to me! Do not hinder them, because the kingdom of God belongs to such as these.

Mark 10:14

*We look forward to sharing  
our school with you.

## Kindergarten at St. Luke's Lutheran School

### Over 30 Years of Lutheran Elementary Excellence!

"Children must be taught how to think, not what to think."

Margaret Mead

"Teaching kids to count is fine, but teaching them what counts is best."

Bob Talbert

## Our Purpose

St. Luke's Lutheran School was begun to assist parents in carrying out the command of our Lord,

*"Fathers,..bring [your children] up in the training and instruction of the Lord."* Ephesians 6:4

We know that a strong faith in Jesus our Savior equips children to meet life's challenges with confidence. We trust this promise of our Lord,

*"Train a child in the way he should go, and when he is old he will not turn from it."* Proverbs 22:6

The goal of St. Luke's faculty is to assist our school families with that training.

## What Makes Us Different

One of the most important decisions parents make is where to educate their children. When parents are looking at options for the education of their children, many schools may seem very similar to one another. All schools aim to provide the best possible education for their students. All schools aim to provide a safe environment for their students. Our school can do all that and more.

St. Luke's is dedicated to giving each student the very best education while teaching the most necessary truth- Jesus Christ is their Savior.

## Kindergarten Curriculum

**St. Luke's provides a well-rounded curriculum.**

- Superkids™ Language Arts Program
- Strong foundation in math
- Studying the world around us through social studies and science lessons
- Application of daily Bible lessons
- Learning and practicing age-appropriate social behaviors.

The Superkids™ reading and writing curriculum is used in Kindergarten through 2nd grade . This nationally recognized curriculum lays a strong phonetic foundation for reading. The course materials are designed to give students a sense of accomplishment, to build confidence, and to develop an early passion for reading.
